

# MD. BAKER

## PROFILE

I'm focused on developing my career a lot further. I am a quick learner, which means that I'd be able to cope up with the job very quickly. With diligence and integrity, I'm fully committed to my work and try to explore all the nooks and cranny of my creativity to bring out the best of me. I have completed most of my professional Digital Marketing & Programming courses to get on-the-job training to influence myself more.
